Dear Sir or Madam,

We would like to invite you as a sponsor for our upcoming "4th INTERNATIONAL BALKANS CONFERENCE ON CHALLENGES OF CIVIL ENGINEERING". The conference will be held during 28-29 May 2020 at EPOKA University. This conference will be attended by senior officials and decision-makers from academia and industry worldwide, bringing together buyers and suppliers in one location.

This conference has a special taste as it is the fourth of its kind to be held here in Albania, so we decided to make this great event to be a great scientific and cultural festival. We invited distinguished and famous scientists and people not only from Albania but also from Balkans and all over the world to address the conference with keynote lecturers to enrich its sessions and to highlight the latest developments in the various fields of civil engineering sciences. The conference sessions focus on interesting topics of a great impact. Such topics include subjects in Structural and Earthquake Engineering, Construction Management and Technology, Construction Materials, Geotechnical Engineering, Transportation Engineering, Historical and Monumental Buildings, Disaster Risk Management, Impact of Climate Change on Built Environment, Sustainable and Life Cycle Assessment, as well as Innovative Practices in Construction Industry.

This international conference aims at bringing together academic scientists, leading engineers, industry researchers and scholar students to exchange and share their experiences and research results about all aspects of Civil Engineering, and discuss the

practical challenges encountered and the solutions adopted. The Conference is offering the opportunity for corporate sponsorships for those companies/organizations seeking enhanced visibility during this event. Sponsorships range in price from 500 € to 5000 €. Sponsors will be listed in the conference program, announced during the conference (depending on level of sponsorship), listed on conference signs and on website. During the conference the sponsor company's banners will be displayed, and they will be honored on the opening ceremony.

A detailed sponsorship form is enclosed to the letter. Thank you for considering the conference sponsorship letter.

Looking forward to hearing from you.

Sincerely,

WHY SPONSOR? WHY EXHIBIT?

NATIONAL AND INTERNATIONAL AUDIENCE	EDUCATED AND EXPERIENCED ATTENDEES	DESIGNERS , SPECIFIERS AND DECISION MAKERS	HIGH PROFILE TARGETED PROMOTION OPPORTUNITY
BCCCE attracts delegates from across Albania and also from more than 20 countries around the world. Here is your opportunity to see and be seen by a truly national audience, and to also present your company to a motivated international audience.	BCCCE delegates are university educated. Many have undertaken post-graduate studies and possess post-graduate degrees. Delegates are experienced professionals, working in their respective fields for many years, many for their effective careers.	BCCCE delegates are engineers who design and specify for a wide range of civil works in Albania and around Balkan countries. They also manage those who design, specify and purchase for a wide variety of projects, applications, clients and enterprises.	BCCCE is the premiere gathering of civil engineering profession in Albania, with delegates attending from around the world. Put your firm in front of those who make the decisions that can benefit your business. By sponsoring the 2020 BCCCE in Tirana, you will have exclusive access to this demographic. Also, by sponsoring our conference, you align yourself with this major event, showcasing your firm to our provincial, national and international delegates.
